Read the text and complete the table. Přečti si text a doplň tabulku.

My aunt Sandra is a shop assistant. She works in a clothes shop. She loves fashion, it's her hobby. She likes new dresses, jeans, T-shirts and shoes very much. Her favourite colours are brown and red. At work she wears a dress or a short skirt and a nice blouse. They have many new things in her shop. Many people come to her shop every day and my aunt is very happy.

My uncle Mark is not a shop assistant. He is a doctor and he works in a hospital. His favourite colour is white, of course. At work he must wear white clothes. He doesn't like fashion and shopping. He likes sports, he goes swimming very often. At home he usually wears jeans and a T-shirt. He's got many pairs of trainers.

Mark and Sandra live in a small flat in a big city. This year Sandra isn't working in her shop. She's at home with my baby cousin Mia.
